

### Donations and Excess Funds Policy

A key purpose of the international volunteering programme (Global Village) is to raise funds to further Habitat for Humanity's mission. We encourage all participants to raise above and beyond the build trip cost in order to address critical shelter needs around the world. Funds raised by volunteers have five important purposes:

1. Enable Habitat for Humanity GB to guarantee a minimum donation to the host country for all volunteer teams,
2. Cover the cost of administering the programme and recruitment activity for Habitat for Humanity GB,
3. Support the growth of the volunteering programme in Habitat for Humanity GB,
4. Support the growth of the host country's programmes and its funding priorities, and
5. Provide funding to support Habitat for Humanity GB's international priorities.

### Donations

As of July 2017, the donation amounts are as follows:

<b>Team Type</b>	<b>Donation to host country</b>	<b>Admin fee to Habitat for Humanity GB</b>	<b>Donation to Habitat for Humanity GB</b>

Open teams	£400	£250	£100
